# PURPOSE

## Providing Opportunities for Individuals with Physical Challenges to Enhance their Quality of Life - Since 1957

Fiscal Year 2015-2016 was a stable year for The Center with regard to membership, programming and fund development.

For the fiscal year ending September 30, 2016, The Center:

- Served 1,432 individuals (members and non-members)
- Added 211 new Members, averaging 18 each month
- Provided 130,240 hours of service, with an average of 10,853 hours each month
- Hosted an average daily attendance of 160
- Averaged 26 outreach contacts per month, including bi-monthly visits to the 3 major rehabilitation centers in Tulsa.

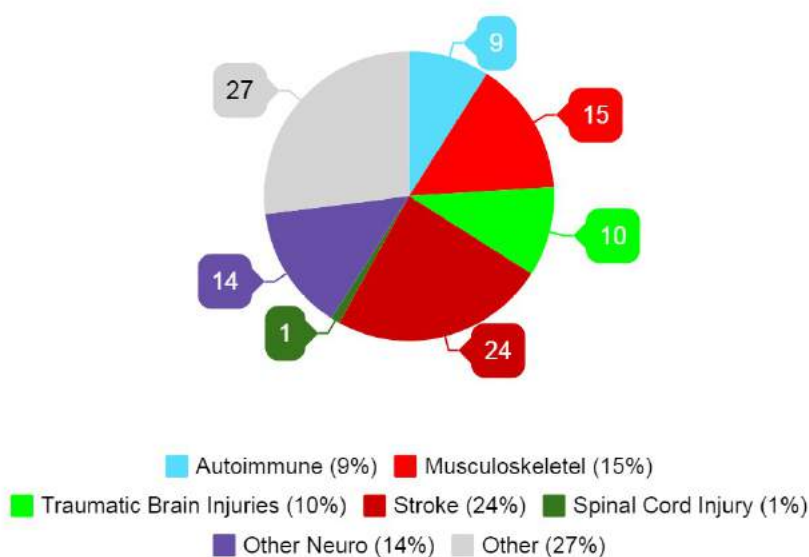

It continues to be my pleasure to serve The Center -

Lori A. Long, MHR, CFRE  
Executive Director
