### Center Membership Enrollment Form

In order to offer our members the best classes at the best prices we must ask you “enroll” in classes you plan on attending. You are allowed to take any class in the package you select as long as we have space in the class. You may change classes or upgrade throughout the semester with approval. Options you see below are: BASE, PREMIUM, and PREMIUM PLUS (which includes all BASE classes as well) and EVENING packages. Scholarships are available to those who qualify. (see back) Please talk to the front desk attendant or our Director of Member Services with questions.

#### Directions:

1. Select Package in the top right corner
2. In third column of package chosen, identify which classes you WILL be attending. **Please remember to read class descriptions for class requirements, rules and prerequisites.**
